

IELTS SPEAKING TEST

The IELTS Speaking test is an interview between the test taker and a trained and certified examiner, which lasts for 11 to 14 minutes.

The test starts with the examiner introducing himself or herself and checking the test taker's identification. During this time the examiner will ask the *student's full name* and *what the examiner should call the test taker*. Sometimes about the *place where the candidate comes from*. It then continues as an interview.

IELTS speaking assessment criteria:

There are four key assessment criteria for IELTS Speaking:

- Fluency & Coherence (FC)
- Lexical Resource (LR)
- Grammatical range and accuracy (GRA)
- Pronunciation (P)

Each contributes 25% of the total IELTS speaking score.
